Summer camp is a great opportunity for scouts to have fun, be independent, extend their interest in camping, work on advancement, and get to know the other scouts in the troop. Camp Makajawan has a well-rounded program, including scoutcraft, waterfront, shooting sports, nature, and handicrafts. A newer scout working on Tenderfoot, Second Class, or First Class should be able to advance one rank while at camp. If he's there for two weeks, more is possible.

To view our summer camp videos, visit our website: www.troop16oakpark.com

The "accommodations" are wall tents with platforms. Meals are served in a dining hall and are healthy and hearty.

Talk about your summer schedule now. Should you be in need of financial assistance, we can find help in a variety of ways. To confidentially discuss financial assistance, please contact Jim Bicak (708-445-8156).

Don't forget we need adult support to make all of this happen. Drivers will be needed on Friday, July 11 and Sunday, July 13 to transport scouts to and from camp. We'll travel by charter bus to camp on July 6 and home from camp on July 19.

Special note regarding cost: Scouts who sold wreaths will receive a discount on the cost of camp. This is based on the amount of wreaths sold. Note: to cover other troop-related expenses at camp there will be an **additional fee of \$75**.
